

The Fairfield Association

Autumn 2014 Lecture Programme

September 18th 7:30 – 8:30 pm The Storey

Ian Sharpe and Ken Sedgwick

What Lies Beneath the Fairfield Fields?

A welcome return visit by our metal–detecting friends who have more finds to show us

October 2nd 7:30 – 8:30 pm The Storey

Claire Harris

How the Fairfield Nature Reserve is Managed for Biodiversity

Claire worked with us as a Natural England Advisor and can talk about the importance of our project and the way we are managing it

October 16th 7:30 – 8:30 pm The Storey

Dr. Ian Nieduszynski

Fairfield Birds

Birdlife is one indicator of the success of our mixed-farming approach. Ian will look at how we are attracting both residents and visitors

Oct 23rd 7:30 – 8:30 pm The Storey

Ruth Jenkins

The Story of Fairfield from Pre-history to Today

Ruth, who grew up in Fairfield, will draw together what we know about the area's history to create a timeline illustrated with fascinating stories
